TO THEIR FULLEST POTENTIAL.*

Dear Michael.

I want to thank you for all your help with our recent purchase of our Chrome Books and Chrome Cart. Our teachers and students have been extremely pleased with our purchase from Scholarbuys! I personally want to thank you for your help through the steps of completing this purchase. I have been in education for fourteen years, and I can honestly say you and your company have been the easiest company and people to work with.

As you know in education, we rarely have extra time to spend on the phone with companies getting quotes and trying to figure out how things work, and with your assistance and guidance, this was the smoothest process I have experienced with a company. You and Scholarbuys treated us as friends and not just customers. Anytime we have had questions, you and your staff have been quick to communicate with us and make the process very easy.

Again, Thank you for making this a smooth process and for continuing in partnering with us to help students achieve at higher levels.
